Dear HOLKO ENERCON

I am pleased to inform you that you have earned a quality distinction given to the best performing Duro-Last® contractors, the **"Elite Contractor Award."** This achievement has placed you in the top 3% of our contractors, consistently installing the highest quality roofing systems in 2025.

To achieve this award, you have installed and Duro-Last has inspected more than 150,000 sq. ft., scored in the "outstanding" category on all commercial installations and warranted five or more commercial jobs in 2025. In other words, you have worked your way to be the "best of the best" through your commitment to quality, dedication to detail and hard work. Congratulations!

Duro-Last produces the "Words Best Roof®" and we rely on your expert workmanship to ensure a high-performing, long-lasting roofing system. Again, congratulations on a job well done. We are truly honored to work with contractors like you, who value quality as much as we do.

Sincerely,
